TO WHOM IT MAY CONCERN

My name is Pastor Victor Bwalya. I am a Grace Notes student being taught by Pastor Matthews Chilifolo. I am married to Grace with the following three children: Mwila, Naomi and Emmanuel.

Grace Notes course are wonderful course which have built me up as a pastor. I now know how to do exposition and how to preach verse by verse. Doctrinally, I did not understand the concepts of salvation and the Trinity. It was confusing to me how God could exist in three persons. Grace Notes courses have helped me understand the doctrine of the Trinity. On the concept of salvation, it was difficult for me differentiate between the two imagery terms of salvation, namely propitiation and justification. In addition, I have come to learn new concepts such as imputation, barrier etc. The church has also benefited because I am able to dig deeper into the Scripture.

Your servant in Christ,
