Dear Warren,

I am Pastor Emmanuel Chando; I head
Tabernacle Pentecostal Church here in
Luano District (Chikupili). My wife's
name Grace Mubanga Chando.
We have 4 daughters, namely,
Grace, Faith, Victoria and Ruth.

The Church was founded in 2000 and
there are 80 members. I like using
Grace Notes for my preaching and
teaching because it is a Bible

centered material. The other reason is that I like expository preaching and teaching (verse by verse).

Warren, I have found Grace Notes materials to ~~be~~ beneficial. We use the material in the church for discipleship, evangelism, Bible study and preaching. Before Pastor Nsohwa introduced Grace Notes to us, we had challenges in accessing biblical material and many members were complaining. But after this education, members are benefiting. My request is to ask you to continue helping us until we finish the course. History 300 helped us a lot. God bless you.
