Dear Sir,

My name is Pastor John Changala. I am married with 6 children. My wife's name is Josephine and the following are the names of our children. Benson, Taonga, Kafwimbi, Timothy, Gertrude and Tamara.

I started learning Grace Notes lessons almost a year ago with Pastor Kafula Nsofwa in Lusaka's Nchute Area. Ever since I started learning Grace Notes courses my ministry and personal life have changed. I did not know how to preach but now I know how to preach verse by verse sermons. I was blind but now I see.

The church has also benefited from my studies. Through Grace Notes, 40 souls have been won to Christ. The membership of the church before I got enrolled for Grace Notes was 45 but now the membership has grown to more than 90 members. This achievement is a great milestone in my life as a pastor.

I would like to appeal to you sir to continue saving lives through this wonderful ministry.

Yours sincerely,

John Changala
