Grace Baptist Church and Calvary Worship Centre,
IKELANGE DISTRICT, ZAMBIA

2nd August 2020

Dear Sir,

The two of us have written this letter in order to reduce expenses. We are: 1. Pastor Chishala Kennedy, pastor of Grace Baptist Church in Ikelenge District of North Western Province. The wife's name is Betty and the following are our children's names: Mulonda, Morgan, Albert, Timothy, Chewe and Kauntingu. 2. Pastor Bwalya Miyambo, my wife is Deborah and our children are: Lewis, Chanda, Bunda, Maureen and Kenneth. I am Pastor of Calvary Worship Center.

The name of the instructor who has been teaching us Grace Notes is Pastor Kalubangwe Nathan. We have completed Doctrine 200 and we have since received the certificates for the courses we have covered so far.

We would like to acknowledge the fact that Grace Notes courses are very important courses because they have developed us both as pastors and as Christians. As pastors the course has helped us know how to preach verses by verse sermons. As Christians, the course has helped us understand biblical doctrine. Grace Notes is not inclined to any denominational beliefs; this has made us know pure biblical doctrine free from denominational influence.

Our churches are also built biblically as they have now come to know the true word of God as taught in the Scriptures.

Last but not the least, we would like to appeal to you sir to continue with good work so that other men and women of God can be helped also. We are going to expand this work. As students who have reached this far, we are ready also to start classes of pastors because they are many pastors in our villages who are willing to learn this course but they are failing to attend Pastor Kalubangwe's class because where they live is very far.

Yours in Christ Jesus,

Chishala Kennedy

Bwalya Miyambo
