

Mpale Apostolic Faith Mission Church Luano

11th September, 2021

Dear Warren Doud,

My name is Kachasu Michael apastor for Mpale Apostolic Faith Mission Church in Luano District. I am one of the students who were enrolled in the Tabernacle Pastors' Class some years back when Pastor Nsofwa when he was at Chikupili Secondary School. When he left Chikupili we stopped learning temporarily until Pastor Mumba Elias took over the class. Ever since Elias Mumba has been teaching us effectively, more importantly he allows us to practice what he teaches us by giving us classes to teach. For example, I help him conduct lessons at Mpale Secondary school. This has helped me because I learn both theory and practical; I practice what I learn.

I will fail in my duties if I do not mention the benefit I have gotten from Grace Notes. Grace Notes lessons have made me a preacher what I am today. I can preach effectively a thing I couldn't do before I started learning Grace Notes.

In addition, many pupils are getting salvation. This being a rural area, Christian literature such as Bibles, lessons, tracts etc. are difficult to find. Grace Notes have provided the much needed materials for equipping the saints. The pupils and the pastors are all being equipped. In addition to being equipped, pupils are being saved; for example, from January 2021 to December 2021 568 pupils have been saved. I have also received recognition as pastor as a result of Grace Notes Certificates I have received so far.

Last but not the least, I am asking if you can help me with 45 copies of Bibles so that I can give to those that are being saved. I will appreciate even they are second hand Bibles. God bless you

Yours in Christ,

Kachasu Michael
