To Pastor Warren Doud,

Dear Pastor,

I am Cynthia, a member of River of Life Assembly in Shawangandu District, Muchinga Province of Zambia. My instructor is Pastor Mulopa. The man has been faithfully teaching us Grace Notes without receiving any salary. His commitment and passion for Grace Notes is great. Many people appreciate the teachings but they cannot join us because of distance. We want to open more classes in the district but we have no funds. Pastor Mulopa has been failing to go round because the distances are far apart, more 20 kilometres. Unlike in towns, houses in rural areas are far apart from each other so movement is a challenge. As a community, we have agreed to buy a second corolla car from the area Member of Parliament at a cheaper price. Instead of selling it at \$4000, he has offered to sell it at \$3000. Out of this amount, the area councillor gave us \$500. By month end of October, we had raised \$2000 (including the \$500 from the Councillor). The balance is \$1000. We need your prayers so that we can raise this money.

The other challenge we have here are Bibles. Very few people have Bibles, the problem is compounded by the fact that this is a rural area. If you have any second Bibles which you are not using, I am asking if you can help us. We really need Bibles.

We are being built spiritually and we have grown strong in the word of God because of Grace Notes. Please keep it up with the same spirit of helping the poor. Learning the word of God has also become extremely expensive but thanks to Grace Notes, which are pro poor lessons. May God bless you.

Yours in Christ,

Khumalo Cynthia
