To Pastor Warren Doud,

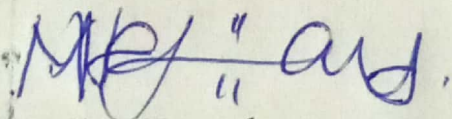

Dear Sir,

I am Machiko Humphrey, writing from Chilubi Baptist Church here in Chilubi District. I have been learning Grace Notes from Pastor Banda Nelson who came from Kabwe. It has been a blessing to me, my family and the church to be exposed to Grace Notes Courses. I received Jesus Christ as my Saviour in 2007, here in Chilubi. I worked as a deacon for 5 years until in 2014 when I received a calling into Ministry as a Pastor. In 2016, I applied to many Bible Colleges including the Baptist Theological Seminary of Zambia, Kaniki Bible College and many more. I was accepted but had no money to undergo the training. Few years ago my friend introduced me to Pastor Nelson Banda when he introduced Grace Notes in Chilubi. At first I was sceptical because I thought the doctrine was false especially when he said that lessons were free. I decided to give him a benefit of doubt by joining the class. After learning for few months, I saw the difference between what I knew and Grace Notes. I noticed that Grace Notes was richer in content than other materials. From that time I have been learning.

My life has changed greatly. I am not the same as before I came across Grace Notes. I can preach effectively and I do not see the need of going to a Bible College or Seminary. My wife was stubborn, she did not want to hear any message until she was exposed to Grace Notes. My wife is now strong and she teaches her fellow women in the church and community.

I am asking if you can help us with second hand Bibles. Many people have no Bibles here. This is a big setback in the ministry. Most souls are perishing without knowing the truth. We have got a lot of work to do.

Yours faithfully,

Machiko Humphrey
