Dear Mr Doud

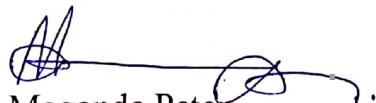

I am Pastor Peter Magande. I am pastoring Pentecostal Holiness here in Ngabwe District. My wife's name is Charity and we have 6 children together: Peter Junior, Bernard, Godfrey, Emelda, Gertrude and John. In addition to these, we keep other dependants whose names are: Kaoma, Moses, Natasha and Maureen.

The name of the instructor who has been teaching me Grace Notes is Pastor Liyungu Mushiko. I have completed Ephesians. I have received all the certificates for the courses I have covered so far apart from Ephesians which I just completed.

I would like to state that I will remain indebted to Grace Notes ministries for the transformation the courses have made me go through. I did not know how to preach any sermon but now I am able to preach even expository sermons including verse by verse sermons and lessons. The church has also benefited doctrinally. The church has also been built biblically as members have now come to know the true word of God as taught in the Scriptures.

I would like to commend you for this wonderful work you are doing and further appeal to you to continue helping the poor who cannot go to Bible College due to lack of funds. May God bless you.

Yours in Christ Jesus our Lord,

Magande Peter
