Dear Mr Warren, the Servant of God

I am your fellow servant Gift Moloshi writing from Chirundu Zambia in Africa.

Having been given chance to communicate with you through this letter let me take this opportunity to inform you that I am currently doing Unit 6 of Grace Notes. It has been a struggle to study Grace Notes, getting exposed to Greek words. I rarely preach or teach without using Greek words. I don't have much to say apart from to appreciate you for these studies.

I would like also to thank you most sincerely for the gift of borehole and irrigation system you have given to us. We have food in abundance because we are able to grow our crops throughout the year. In Zambia, the Rainy Season only lasts for few months (from December to March). If it does not rain adequately it means hunger in that particular year in the country. But because of the irrigation system, drought does not affect us. 2023/2024 Rainy Season already is showing that there will be no enough rainfall. We may have hunger in 2024. But here we are safe. May God bless you for your support you.

As I conclude this letter, let me quote the words of Paul to the Church at Philippi in Philippians 4:17-20 "Not that I desire your gifts; what I desire is that more be credited to your account. I have received full payment and have more than enough. I am amply supplied, now that I have received from Epaphroditus the gifts you sent. They are a fragrant offering, an acceptable sacrifice, pleasing to God. And my God will meet all your needs according to the riches of His glory in Christ Jesus. To our God and Father be glory for ever and ever. Amen."

Yours in Christ,
