Dear Sir,

I am writing from Chirundu District in Southern Province of Zambia. I wish to inform you that Grace Notes is a progressive course which is changing lives. Please do not give up doing this noble calling. I am a changed person. I do not have a lot of words to write about but I am here to say thank you very much.

Furthermore, I would like to thank you very much for the water that you gave us through the sinking of boreholes. Many people in Zambia are dying of cholera but here we are safe though there are some cases of cholera due to poor sanitation and toilets. Thank you very much for saving us. May God bless you.

Yours in faithfully,

Mutelo Rachel
