To Mr Warren Doud,

Greetings in the gracious name of our Lord and Saviour Jesus Christ. My names is Pastor Ngandu Martin. I am married to Josephine and we have the following children together: Martin Junior, Kelvin, Kabanda, Maureen, Mable and Bwalya. I live in Shiwangandu District where I am pastoring Grace Ministries.

My Instructor is Rev. Mulopa. He has been very helpful to us as students. I have completed Doctrine 200 and have since received certificates.

The lessons of Grace Notes have built my Christian life as well as my preaching ministry. Preaching was one of my major challenges I had in my pastoral ministry. I did not know how to preach expository sermons. I used to preach the same sermons due to lack of knowledge on how to come up sermons. Through Grace Notes courses, I have been well equipped to preach expository sermons. I am also able to teach lessons verse by verse.

In addition, I have come to understand many biblical doctrines such as salvation, justification, sanctification, redemption, election, history of the Jews, Biblical background and many other doctrines. The church also is growing in number and spirit because of the good teachings.

I would like to appeal to you to continue helping us and everyone who cannot afford to go to a Bible College.

Yours faithfully,

Ngandu Martin
