Dear Sir,

Grace and peace to you from God our Father and the Lord Jesus Christ. Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves from God (2 Corinthians 1:3-4). I always thank God for you because of the grace He has given you to support the poor, the weak and the vulnerable. May God meet all your needs according to the riches of His glory in Christ Jesus.

I wish to let you know that Grace Notes lessons have helped me and others in the following ways:

- a. Salvation: I would like to let you know that many people both pupils and adults have received salvation through Grace Notes. In my Ministry since I started using Grace Notes, 70 adults and 159 pupils have been saved.
- b. 40 boys from community have stopped abusing drugs and since been rehabilitated. In addition, 30 ladies who were sex workers have given their lives to Christ. 15 streets boys aged 18 years and above have surrendered their lives to Christ and have since stopped sniffing faecal matters which they were mixing with glue. Most of these youths lost their parents at tender age and so they decided to go to the streets. We are trying to teach them basics in education so that they can be trained in survival skills such as carpentry etc. These people need Bibles. I also need to start teaching them Grace Notes lessons starting with Doctrine 100. I do not know when this letter will reach you, however, I am pleading with you to help me with 85 Bibles so that I can give them to the above mentioned people. I am also asking for your help so that I can be printing lessons for these people. I just need a printer and a laptop. At the current rate (time of writing this letter), \$2000 can buy the printer, laptop and 70 Bibles.
- c. I use Grace Notes to teach members in the Church. This has helped my church grow both numerically and spiritually.
- d. Through Grace Notes, I have been taught how to preach and teach the Bible effectively. Doctrine 100 has built my spiritual life while lessons like Titus have helped me understand expository teaching and preaching.

Last but not the least, I would like to ask you to continue helping us. May God bless you and the Ministry.
