- ③ The church name is "HEAVENLY LIFE MINISTRIES
INTERNATIONAL"
- ④ The number of people as at now are 30 plus other
two branches that I recently opened in other districts
of Zambia.
- ⑤ My type of teaching are based on expository,
teaching verse by verse explaining. I been teaching
about the call of God and the doctrine of righteousness
- ⑥ ----- Over the value of Grace notes, I have
no words to say, I am really humbled by seeing
how the teaching are being tabulated. I am
still enjoying the teachings, lessons and the
insight of the teachings. I have never come
across some teachings like yours that are full
of revelations. Am blessed and I say God
bless also your ministry and your family.

⑦ my personal testimony, I was born 1972 and received Christ 1994, ever since I have never looked at the back, I served as a treasure secretary, elder, assistant pastor until I was ordained to be the pastor in 2005 in the church. Actually I been more strengthened more especially the time I started receiving your special GRACE NOTES. Which has now taken me to another level of my personal spiritual life. I even use your material for preaching and teachings

⑧ my prayer request, I have been failing to pull through because of finance "money". As at now I am doing business "tailoring" for me to push the ministry, I need your prayers that I may have financial breakthrough and also pray for me that I should succeed in my ministry that God gave me. Pray for me that I find money that we buy the church plots, because we have been praying in the house ever since I started the ministry two years ago. Pray for me that I may always have loyal members of the church and that the church may grow.

Thank you very much for your concern over my life. Stay blessed and live long.

Yours in Christ Jesus
Pastor ELIAS STANNE.
